

The dead walk. Who's still standing?

Join the camp as a survivor. Pick your type, learn skills, pack your gear, and see how well you handle what the apocalypse throws at you.

Join / Play

Free. One survivor per player.

01

Create your survivor

Choose a name and a type. Your type sets your starting attributes and skills.

02

Gear up

Learn skills and pack weapons and tools, but don't carry more than you can lift.

03

Take action

Heal, fight, scavenge or barricade, and see how effective you are.

Perform an action

Survivor A (CareGiver). Pick an action to see how well you'd do.

Actions

Patch up a wound

Heal · uses intelligence, trustworthiness

Bash a zombie

Attack · uses strength, courage

Search a pharmacy

Scavenge · uses agility, intelligence

Barricade the door

Build · uses strength, endurance

Talk down a stranger

Persuade · uses leadership, trustworthiness

Perform action

Result

Survivor A performed **Patch up a wound**.

80 effectiveness

Intelligence $8 \times 0.5 = 4.0$

Trustworthiness $8 \times 0.5 = 4.0$

$(8.0) \times 10 = 80$

Weights are examples. The real ones come from the seeded actions.
